7. Sandra and her family went to the museum at the weekend. They saw Picasso's paintings. His works affected them and they searched Picasso's biography on the Net.

Picasso was one of the most important figure of the 20th century. He was a painter and sculptor. He was born in Spain in 1881. Picasso spent most of his life in France. His father was a painter and an art teacher. Picasso could draw and paint when he was very young. His first word was "pencil". At the age of six, he began receiving art lessons from his father. When he was 14, he attended a famous art school in Barcelona. A few years later, he went to another school in Madrid. Picasso didn't like the classic teachings of art school. He wanted to create something new. With his friend, Georges Braque, Picasso invented the Cubism art movement. Cubism artworks look like they are made out of cubes and other geometrical shapes. His most famous painting is *Guernica*. It shows the horrors of war after the bombing of the town of Guernica. In his life, he created over 50,000 works of art.

He got married twice and had four children. He didn't throw anything away. He liked to be alone. He had a lot of animals. He was so hardworking and ambitious. He died in France in 1973.

Read Picasso's biography and answer the question.

1- When and where was Picasso born?

2- Who was his first teacher?

3- What was his first word as a baby?

4- Did he get married and have children?

5- What was he like?

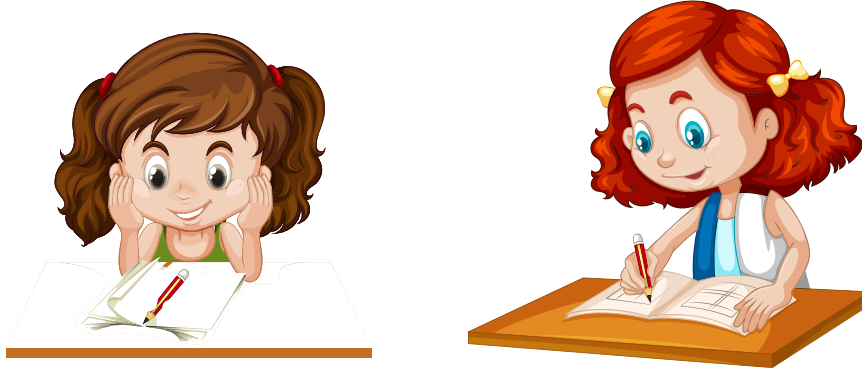

6- What do cubism artworks look like?

7- What is Guernica about?

8- How many works of art did he create?

8.

Agatha and Mary play 'Last Letter Game' at the break time. Their category is 'verbs'. They both have a game card below. They look at the first verb on the card. They must write a new verb using the last letter of that word. Each word must begin with the last letter of the previous word and must be different. The winner must write 20 verbs first. Let's help them.
