

Serbest Çizgi Çalışmaları Uyum Haftası 21-27 Eylül

SERBEST ÇİZGİ ÇALIŞMALARININ AMACI VE ÖNEMİ

Serbest çizgi çalışmaları okul döneminin başlangıç evrelerinde çocuğunuza yardımcı olacak çalışmalardır. Çizgi çalışmaları çocuğunuzun kalem tutmasını, kalemi ve sayfayı düzgün kullanmasına yardımcı olur.

Bu nedenle bu çalışmalarda iki önceliğimiz olacak:

- 1- Çocuk kalemi düzgün tutuyor mu?
- 2- Çocuk sayfayı doğru tutuyor mu?

Çocuk kalemi düzgün tutmasını bilmiyorsa ve sizler ısrar etmenize rağmen hala yanlış tutuyorsa çocuklarla inatlaşmayın ve çizgi çalışmalarını yaptırmayın. Kalem tutma becerisini okulda öğrendikten sonra çizgi çalışmalarına başlamalı çünkü kalemi yanlış tutuyor ve o tutuşla çizgi çalışmaları devam ederse kalemi yanlış şekli ile tutuşu kalıcı olur.

Çalışmamız gerek defter olsun gerek okuma-yazma kitabı olsun gerek fotokopi sayfası olsun masanın üzerinde üstten hafızla yatık durması gerekir. Çocukların en rahat yazı yazdığı şekil budur.

Çizgi çalışmaları çocukların el ve kol kaslarına hâkimiyetini ve kaslarını güçlendirir. Dikkati artırır. Bugüne kadar serbe stbir şekilde kalem kullanıp karalama yapan çocuğunuzu disipline eder, koyduğu kurallar ile çocuğunuzun kurallara uymasını öğretir. Çocuklara çizgi sınırlarını öğretir. (Çizginin nereden başlayacağı ve nerede biteceğini ve hangi sınırlar içinde olacağını hatırlatalım.)

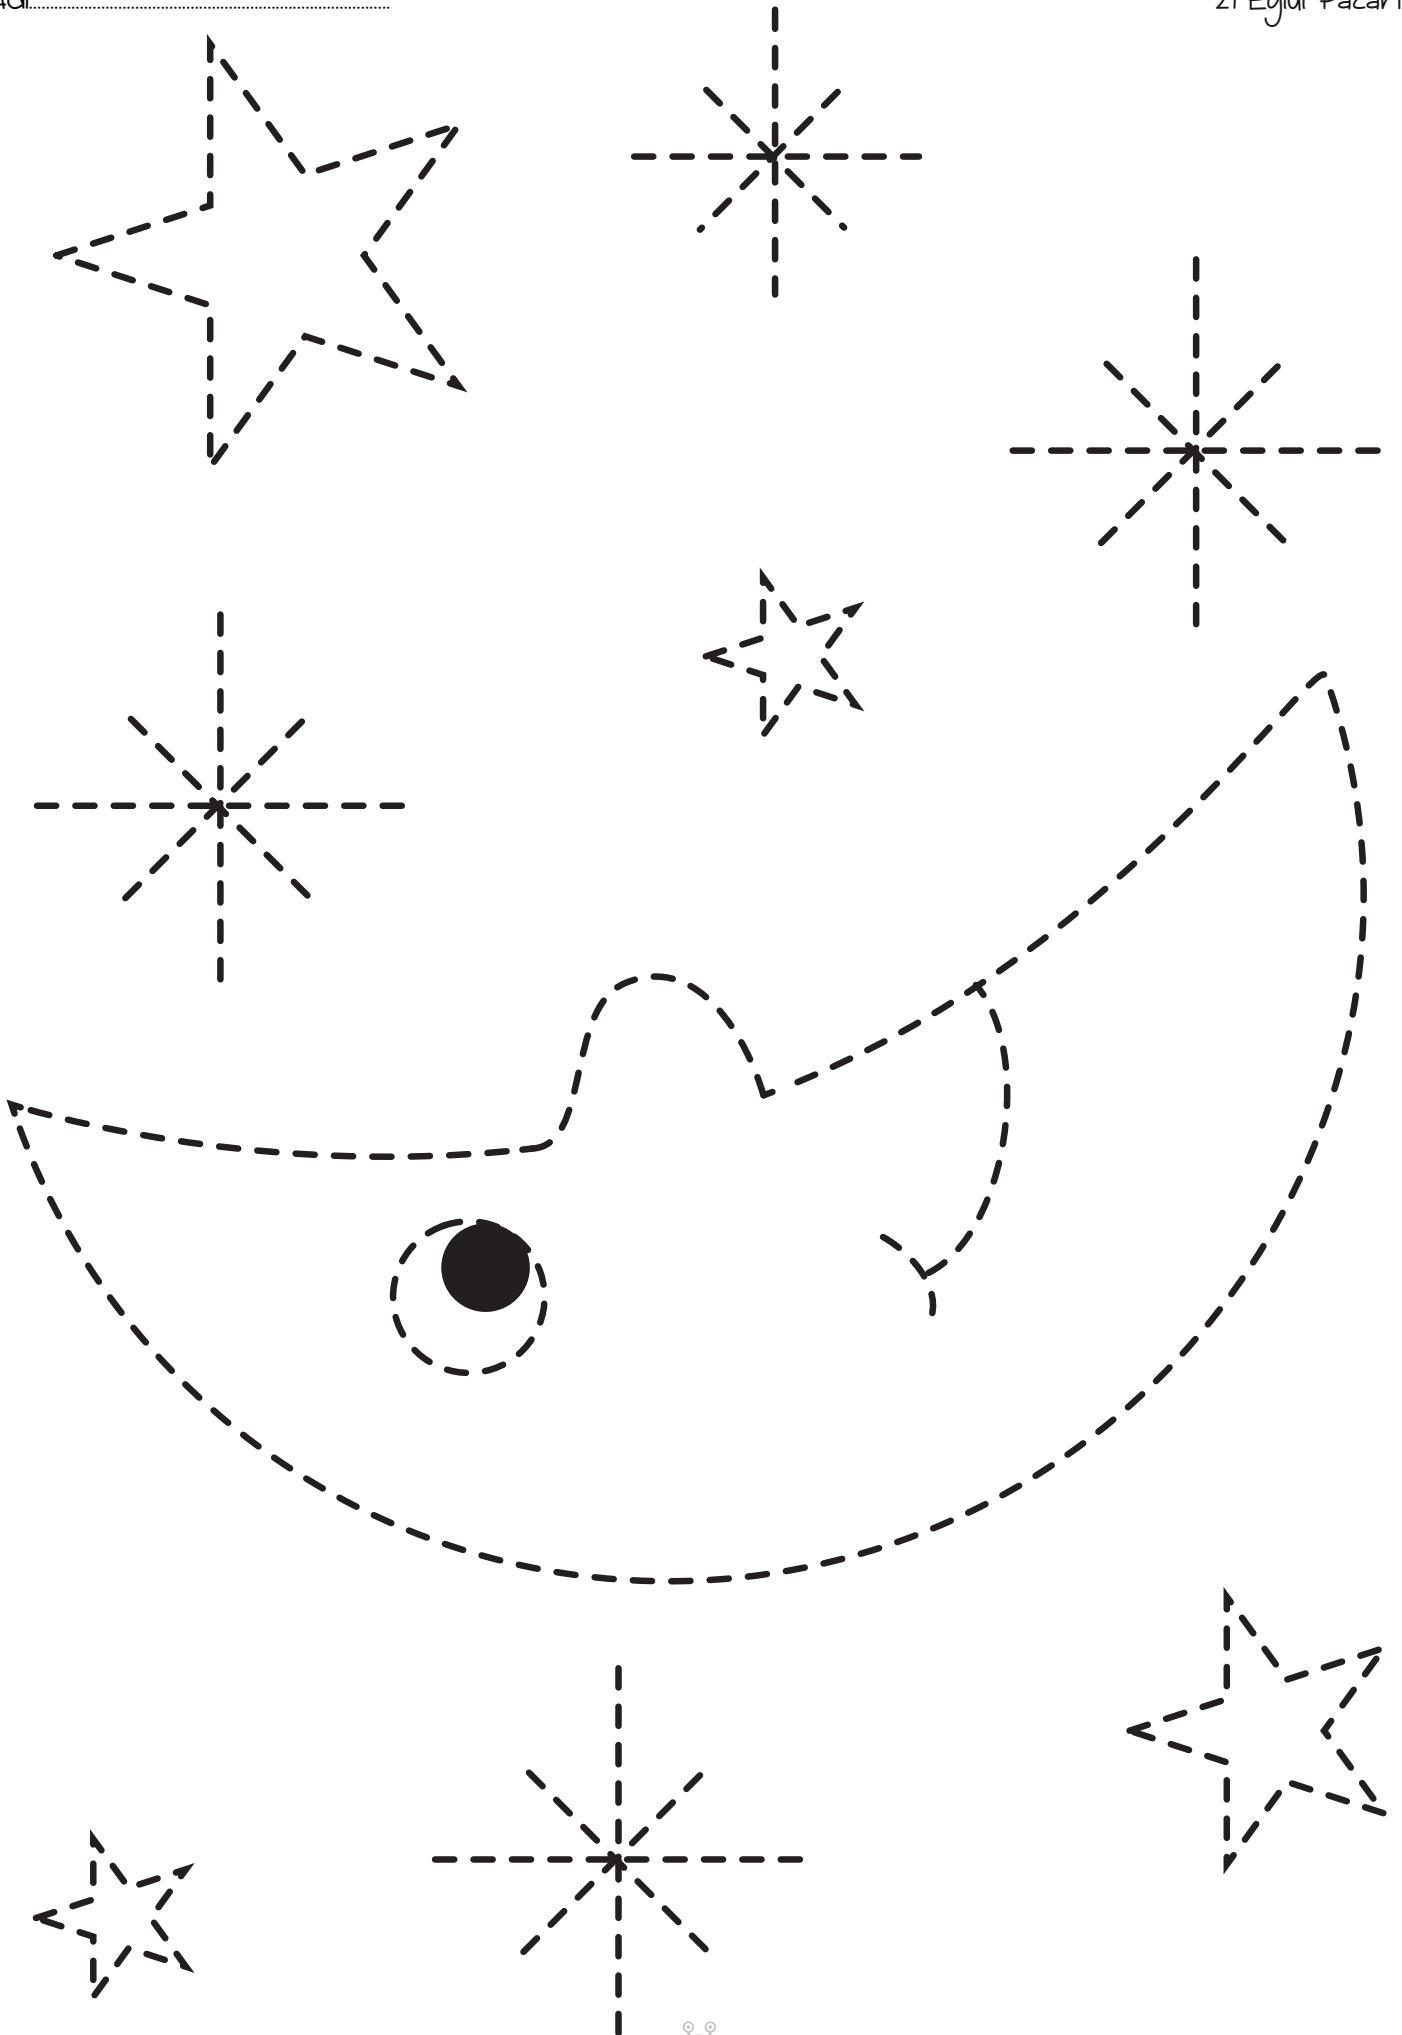

Birçok boyama benzeri etkinliğe oranla çizgi çalışmaları çocukları biraz sıkar ve yorar bu konuda çocuklara çok ısrarcı olmayalım. Sıkılan çocuklarımız için çalışmaları geniş zamana yayabiliriz.

Bu serbe stçizgi çalışmalarında hangi gün hangi çalışmanın yapılacağı sayfanın üzerinde belirtilmiştir. Çocukların tüm çalışmaları aynı günde yapmasına izin vermeyelim. Şimdiden kolay gelsin....
